STEAM TABLE - Gas

WSTG Series / Item# _____

WSTG - A

Standard Features:

- All welded stainless steel construction.
- Standing pilot for instant lighting.
- Standard models available with up to 10' wide.
- Safety gas valve for safety.
- One year limited warranty.

Options:

- AGA certified, NSF Sanitation Classified, MEA listed.
- All models may have rectangular or circular shaped opening on the top, the opening dia. may vary, depending on the size of inset.
- Custom models are available to meet your needs.
- Natural or propane gas.

WSTG - C

Gas requirements:

- Manifold Pressure:
- 5.0" W.C. Natural Gas
- 10.0" W.C. Propane Gas
- Manifold Size: 3/4"

The manufacturer reserves the rights to modify materials and specifications without notice.
